PROFILE

Further my existing production career by working within a larger corporation in the Twin Cities. Expand my production techniques by learning from veterans in the company. Grow my network and work with new technologies in creative and inventive ways to solve client's communication goals.

EXPERIENCE

Live Producer

Mainstream Media // Chicago, IL // August 2018-June 2020

Oversaw complex logistics for livestreamed multi-camera productions including corporate meetings, graduations, virtual galas, and social activations. Proficient in all roles on set and able to jump in as needed. Managed crew, budgets, timelines, and run of shows. Bridged the gap between the technical and creative aspects of production. Main point of contact for multiple clients simultaneously.

Production Coordinator

Mainstream Media // Chicago, IL // January 2019-August 2020

Responsible for coordinating all projects from concept/bidding to completion within a small company. Built scope of work documents and estimated production budgets between 2k-20k. Maintained the production calendar and booked rental equipment. Performed on set tasks such as camera operation, audio engineering, and gaffing.

Production Assistant

Harpo Studios // Chicago, IL // June 2014 – April 2015

Tracked third party content throughout the lifecycle of Oprah's Where are they Now TV episode, including costs and sources. Pitched episode ideas in production meetings. Worked with external vendors to secure pricing for digital assets. Assisted on set during studio shoots as needed.

Director / Editor

Student Communications // Chicago, IL // June 2011 – Dec 2013

Shot and edited communication pieces using DSLR technology. Directed students on camera, set up 3-point lighting, and maintained a proper set environment. Planned creative vision with producer and executed notes under direction of manager.
